Do you have what it takes?

READY SET SUCCEED

Take the Quiz!

1. What is your passion in life?
2. Why do you want to be a nurse?
3. Do you easily identify with the feelings of others?
4. Do you enjoy and find fulfillment in serving others?
5. Is spirituality important to you and how comfortable are you discussing this with others?
6. What kind of character do you possess?
7. Do you possess a strong work ethic?
8. What are you willing to give up to make school a priority?
9. How do you perform under stress?
10. How do you handle conflict with others?

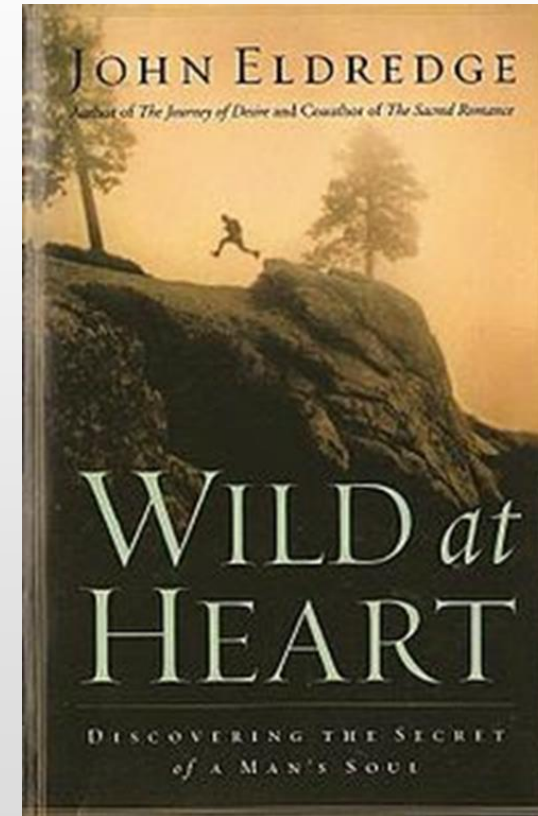

#1. What is your passion in life?

What would you be willing to do for free because I enjoy doing it?

“Don’t ask yourself what the world needs. Ask yourself what makes you come alive, and do that.

Because what the world needs are people who have come fully alive.”

#2. Why do you want to be a nurse?

- Motivation matters!
- Be honest

#3. Do you easily identify with the feelings of others?

- Is it in you?
- Empathy defined
- Nurses=Good Samaritan
 - See the need
 - Respond with compassionate care

#4. Do you enjoy and find fulfillment in serving others?

- Service industry jobs
 - Anticipate needs
 - Customer centered
- Nursing = serving others

#5. Is spirituality important to you and how comfortable are you discussing this with others?

- Medical model
- Nursing care=Holistic care
 - Physical
 - Spiritual
 - Emotional
- Spirituality vs. religion
- Spiritual care
 - Hope
 - Meaning

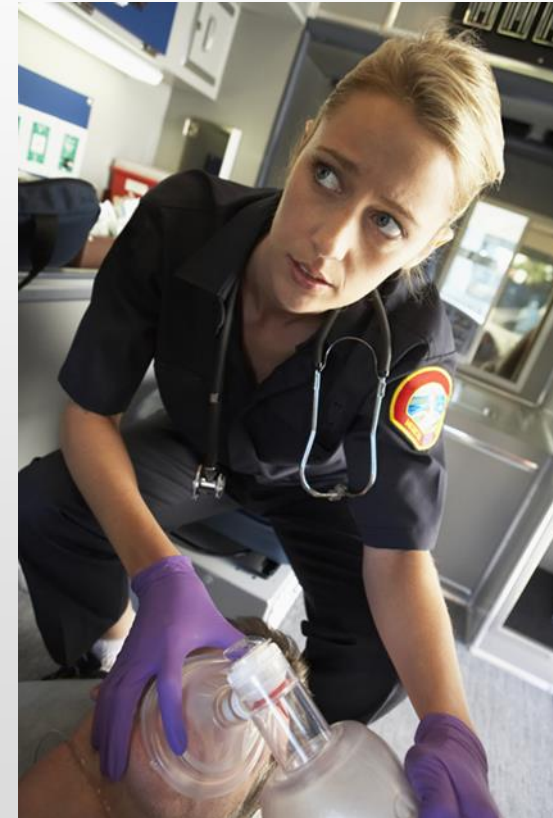

#6. What kind of character do you possess?

- Truthfulness/honesty
- Obedience
- Humility
- Sympathy
- Punctuality

#7. Do you possess a strong work ethic?

- Nursing school is hard work!
- Nursing is hard work!
- Patient acuity
- Multiple patients

#7. What are you willing to give up to make school a priority?

- 168 hours week
- Nursing difficult and challenging major
 - Requires 20+ hours week to study
- Start with social media
- Evaluate work commitments

#8. Do you have a natural aptitude for science?

- Nursing is a science
- Applied sciences just as important
 - Pathophysiology
 - Pharmacology/mechanism of action
 - Fluids & Electrolytes
 - Math/dosage calculation

#9. How do you perform under stress?

- Nursing school and clinical practice is stressful!
- Stress of practice
- Life and death

#10. How do you handle conflict with others?

- Do you seek common ground?
- Do you hold grudges and find it hard to forgive?
- Bullying and incivility endemic in nursing
 - Never speak ill of others
- Commit to **VALUE** and **RESPECT** your colleagues, faculty and patients always

How to Thrive not Merely Survive as a Nursing Student

YOUR JOURNEY

How Did You Do?

- 8-10
- 5-7
- <5

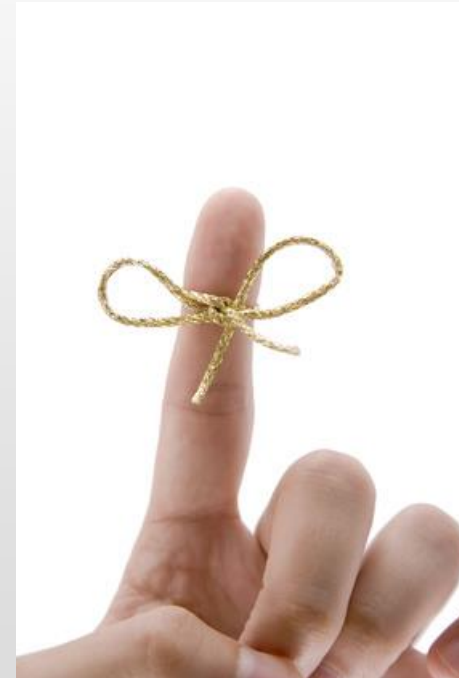

What type of degree?

- **Licensed Practical/Vocational Nurse (LPN/LVN)**
 - Twelve months education
 - Primarily skilled care/transitional care/home care practice settings
 - Ability to transfer into second year of community college RN program (LPN to RN)

DOSAGE CALCULATOR

SKYSCAPE MEDICAL LIBRARY

DOSAGE CALCULATOR

While viewing a drug you can access a built-in drug dosing calculator.

Choose Route/Dosage Section

DOSAGE CALCULATOR

SKYSCAPE MEDICAL LIBRARY

DOSAGE CALCULATOR

The Route/Dosage section contains built-in dosage calculator.

The screenshot shows a mobile application interface for a dosage calculator. At the top, there is a header bar with a red background. On the left, a red back arrow is followed by the text "Back". On the right, the text "warfarin..." is displayed in red. Below the header, the main content area has a white background. It features two input fields: "Weight" with a value of "100" and "Dose (mg/kg/dose)" with a value of "0.1". Both fields have a red border and a red dropdown arrow on the right. Below these fields is a red "clear" button. At the bottom, there is a section titled "Result" with a value of "4.5 mg/dose" and a section titled "Route" with a value of "IV".
